In the space below, please provide a detailed explanation of the variance requested for the above-referenced property. Your explanation should include sufficient information for the Plans Approval Board (PAB) to understand, review, and approve the variance request. All variance applications shall be accompanied by a site plan based on a certified survey at an appropriate scale of 1/8-inch on a 24 X 36 inch sheet. (Only one request per page; each request must be presented separately).

For additional information and to view the criteria that the PAB considers when determining whether or not to grant a variance request, please reference Port Royal PAB Guidelines, Sec.3.4.1.

Owner/Applicant hereby acknowledges receiving and reading the variance criteria and procedures set forth in the Port Royal Plantation Plans Approval Board's Guidelines and Procedures.
